

Good Afternoon,

The Share the Glow Scholarship Event is held in memory of Kara Ratliff Lust, 1994 graduate of Elgin High School, who passed away in June of 2015 from complications related to Esophageal Cancer. The courage and faith Kara showed inspired many at both The James Cancer Hospital and The Cancer Treatment Centers of America (now City of Hope), in Chicago, Illinois.

Because of her caring heart and contagious smile, the “Share the Glow” Kara Ratliff Lust Memorial Scholarship was created. This year our fundraiser is a 4-person team Golf Outing at Mill Creek Golf Club in Ostrander, Ohio, to be held June 1, 2024.

Each year we ask area businesses to participate by sponsoring/donating to our fundraiser event(s). Each Vendor will receive recognition with signage on the course holes 1-18, in the clubhouse before and following the event, and on the STG website. **Please see second page for information on each individual sponsorship opportunity.**
