

WELCOME TO SHARE THE GLOW

The Share the Glow Memorial Scholarship was formed in 2015 for our daughter Kara who was an avid runner, awesome mom and loved by all. Kara had a *glow*. A smile. A hope. And a beautiful outlook of God's light through the ash. Kara was diagnosed with esophageal cancer in 2012, and fought long and hard, never losing faith. Though her body gave in, her glow still continues.

Kara participated in many running events with the Warrior Dash in June of 2012 being her last, and the first time she noticed her body felt different. In July, we were informed and ill-prepared to tackle her news of esophageal cancer. Kara never smoked nor drank; acid reflux was to blame. In August, she underwent surgery to remove most of her esophagus. Following chemotherapy and radiation for six months, we received the glorious news that she was in remission.

The fall brought about concern as Kara was feeling less than healthy again, and just after Christmas of 2013, we learned that a few lymph nodes had escaped treatment and cancer had returned.

Kara never once gave up or opted out of a chemo appointment. As a family, which included her young son we endured alongside her as she shed weight, hair, and tears; yet her hope in the Lord never wavered.

Spring of 2015, Kara had been receiving chemo for over 13 months, suffering abdominal pain which brought about more surgery. Though the surgery went successfully, Kara never fully recovered from infection.

Following an unfortunate string of events in early June, Kara communicated her desire for quality of life and chose to breathe on her own. On June 8th, 2015, she soared on eagles' wings, and breathed freely at last.

We are a not-for-profit 501(c)(3) organization that is hosting an annual golf event in memory of Kara Lyn Ratliff-Lust.

PURPOSE

The Share the Glow Memorial Scholarship Fund awards scholarships to college-bound Elgin High School seniors based on academic achievement, student statement, and teacher/counselor recommendation, and applicants who have shown participation in track or cross country. However, all applications received will be considered in the selection process.

ShareTheGlow.org also has initiated a FEED THE NEED program to help those in need. Beyond our annual scholarships, we are reaching out and delivering assistance to persons and families directly affected by the toll of fighting back at cancer.

Share the Glow.org is paying it forward by assisting numerous cancer patients and their caregivers with a one-time gift card for gas, lodging, food, utility bills and similar special needs not covered by insurance. We hope to lighten the load a little when it comes to medical hardships.
